

For Groups of 12 (plus) Wishing to Taste at Elephant Island

We'd be honored to be part of your celebrations!

We are a small farm and winery, and pride ourselves in offering a lovely sit down tasting experience. Accordingly, when larger groups book we need a little more time to prepare. Knowing you are arriving ahead of time allows us seat you together and have enough staff coverage to logistically accommodate your group.

- Cost: For groups over 12 people we have a \$15 per person tasting fee (our tasting format is seated, personalized and space is limited. We need time and people to accommodate re-arrangement and return of table spaces).
- Black Out dates: We are maxxed out on the following dates, and accordingly are unable to accommodate reservations for groups larger than 10 as we have no flexibility to reorganize tables for the following dates: Sat and Sun of May Long Weekend, Sat and Sun of July Long weekend, Sat and Sun of Labor Day long weekend.
- Charcuterie Boards/Appetizers: If you wish to add on some nibblies for your guests, we can have some options quoted and set up for your arrival.
- Refund/Guest confirmation deadlines: We will not charge the per person fee (\$15) until 48 hours prior to your reservation, so it is fully refundable up until that time. After that time it is non-refundable.

If you would like to proceed with booking, you can call the Winery at 250.496.5522 or email. In your email please confirm:

- (1) the number of people you expect (this can be adjusted up until 48 hours prior);
- (2) a c/c number, expiry, CCV to hold the reservation (per above will not be charged until 48 hours in advance)
