

Elephant Island

wine you love. made simply.

Festivus. It is coming. And all the challenges and joys that come with it. Planning and cooking, eating and drinking, getting and giving. Sometimes it feels like we are chasing it, but there are a few things that help get us in the mood on the Farm.

Catching the Spirit

A quintessential Village Christmas outdoor market put on by Naramataslow.

We have friends and neighbors, the Community Choir, locally crafted treasures, beautiful baking, fire pits and marshmallows.

And we will be there with wine! Your Elephant Island favorites to give and to stock.
